1.0 Brand Identity

1.1 About PRIME

Located in Bandung, PRIME is a social clinic that serves the needs of patients from many areas. It has complete facility for the eyes and general clinic.

PRIME wanted to be seen as a credible clinic and reach a new target market; middle to middle up. PRIME wishes for the right and outstanding visual implementation with a warm and elegant approach.

1.2 Logo Philosophy

Not only focusing on patients' health, PRIME aims to make all patients comfortable and happy with fast service and complete facilities. Therefore, the logo itself means that PRIME serves patients wholeheartedly.

1.3 Logo Configuration

Primary Logo

The primary logo for PRIME is the logo with the logotype and Company Name in Full Form.

Primary Logo

Primary Logo with Tagline

In this version, the primary logo is combined with the tagline written below.

Primary Logo with Tagline

Secondary Logo

In this version, it is the primary logo without the Company Name in Full Form. It is a more compact version of the primary logo, therefore it is used in circumstances where it has to be resize to small formats.

Secondary Logo

1.4 Logo Structure

This is an overview of how the foundation of this logo is made. It is strictly forbidden to redraw, please use the logo file that we have prepared. The logo is precisely made using x units taken from the width of the letter “P” on PRIME.

Grid System

1.5 Clear Space Area

Ensure that the logo appears optimally on each media with sufficient free space. Blank/free-spaces ensure the logo is well recognized and not distracted by other visual elements.

Minimum White Space

1.6 Minimum Logo Size

Minimum size is the smallest standard size that our logo must apply. To maintain legibility, the logo must not be shown smaller than the minimum size that has been provided for both print and digital media implementation.

1.8 Common Mistakes

PRIME's consistent presentation is beneficial for institutions, acquirers, and developers, with reference to consumer recognition in order to increase awareness about PRIME. Do not change this identity in any way. Always apply your identity thoughtfully, carefully, and appropriately.

Do not change the way the identity is colored

Do not recolor separately

Do not rotate the logo

Do not change reconfigure or reposition or resize the elements

Do not remake or create new elements

Do not add drop shadow

Do not change the format position of the logo

Do not change the shape of the identity to lines

Do not change the logo typography

1.9 Color Palette

Primary brand colors are the main, consistent colors used in all graphics, publications, signage, etc. Primary brand colors rarely change because they are central to the brand's visual identity. The primary brand colors can be tightly associated with the logo. Whereas secondary brand colors act as a complementary color palette to the primary brand colors.

1.10 Typography

Guiding Principle

1. The typeface chosen for most communication media (print and/or digital) is Montserrat.
2. Montserrat and the contents of its font family are used to emphasize or to build hierarchies in writing.
3. Consider changing the size or color before using alternative types (such as regular, bold, heavy, etc.).
